

Hello, yes! 🙌 I'm Thomas Michael Semmler!

I'm an UI Engineer & Designer from Vienna, Austria.

I'm an experienced Software Engineer, occupying Senior Positions since 2017. In these years, I grew expertise in working with **Systems**, Organising and Orchestrating **Design** and its **Processes** as well as **HTML** and **large scale CSS**.

This is not only reflected in the **tools** I work with but also in the **values** that inform all of my decisions around my work in Design and Development.

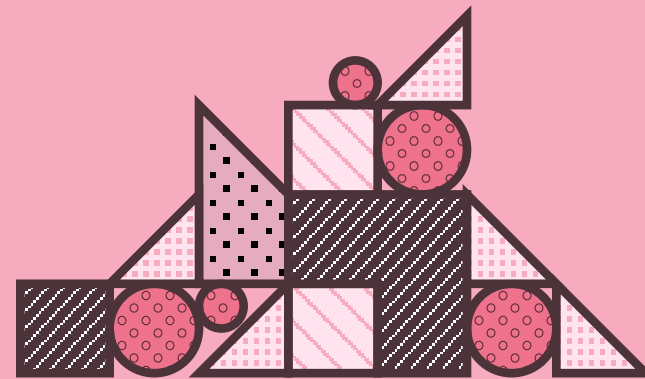

I'm very experienced in **Eleventy**, **SCSS**, **HTML**, **SVG**, **Jekyll**, **React**. I'm also experienced in building with **Vue** & **Svelte**. I prefer vanilla Solutions wherever possible, and JavaScript only when necessary.

I strive to design inclusively, with **inclusive Design Principles**.

Experience

I've been working in the Industry as a Designer and Developer, across stack(s) for **12 years**. Nowadays, I focus on **accessibility**, **UI Engineering** & **Design Ops**.

50+ Websites launched

Millions of **CSS** lines written

2x Removed bootstrap

10+ Legacy Codebases **refactored**

5+ Brands created & refined

4 Design Systems crafted

1 Design Language created

You can see some of my design work on my website.
